*A Story from

Emissions*

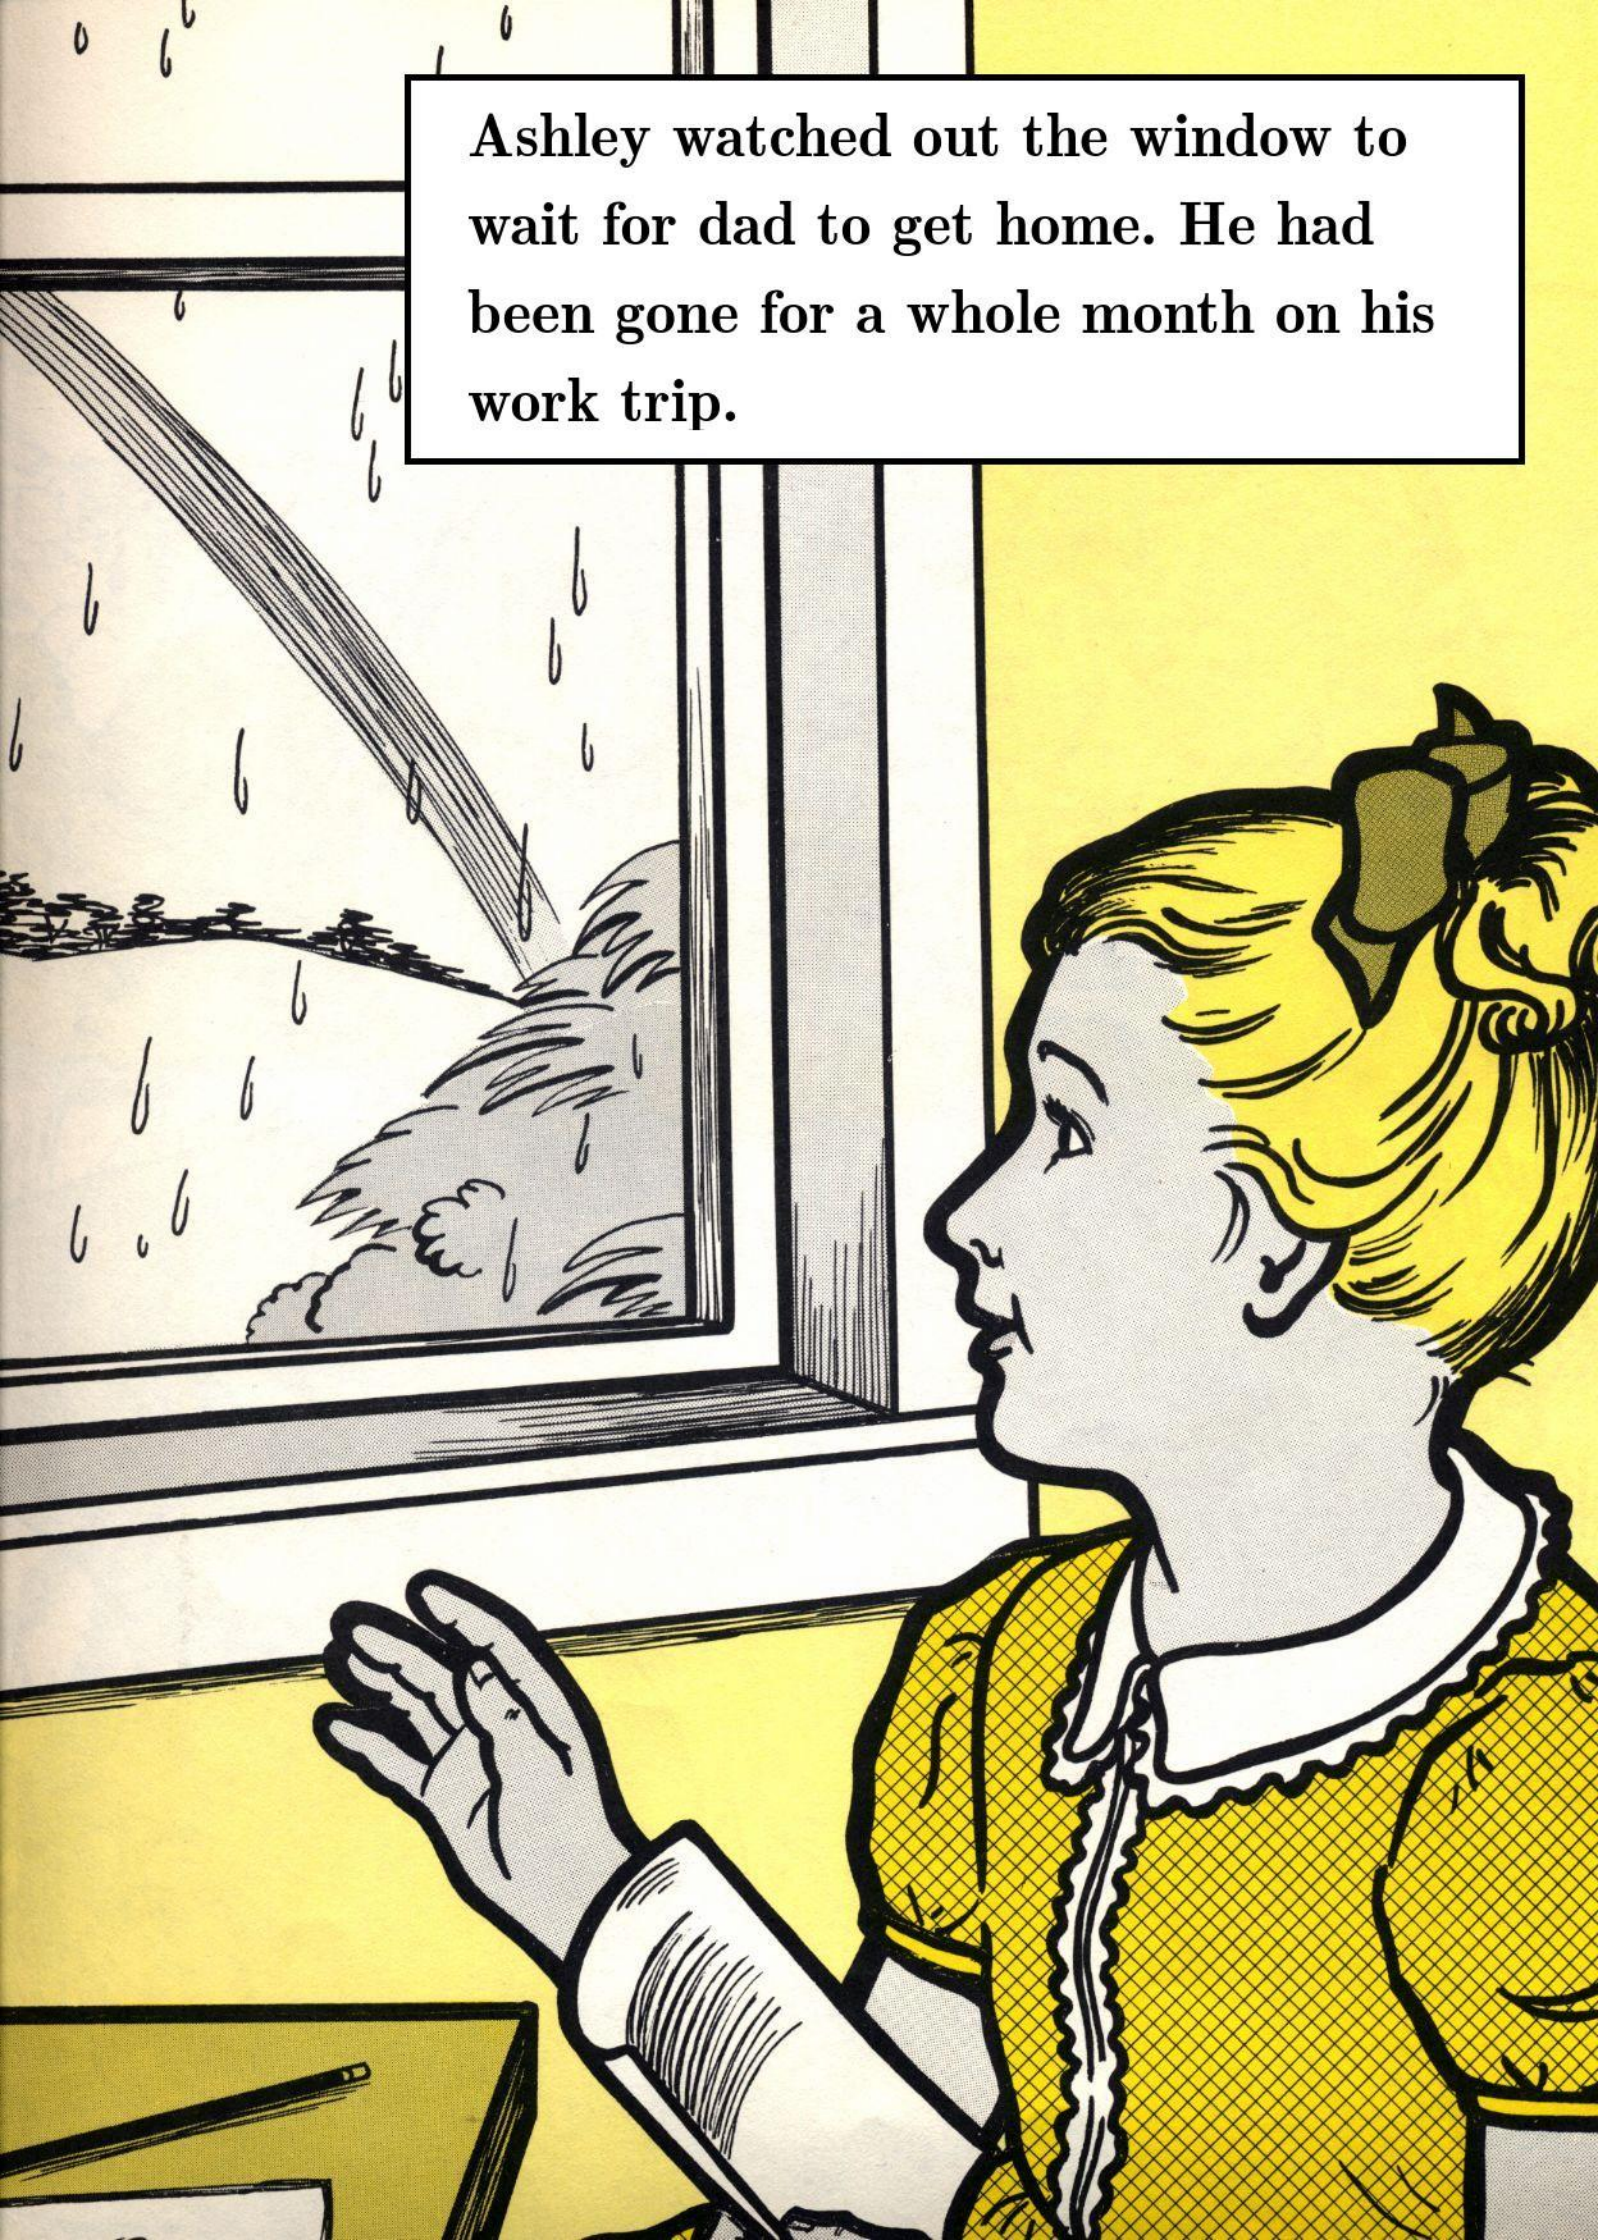

Ashley was excited to
come home after school.

"Hi mom! I can't wait until
daddy gets home!"

Ashley watched out the window to wait for dad to get home. He had been gone for a whole month on his work trip.

The entire family greeted dad
as he walked in the door.

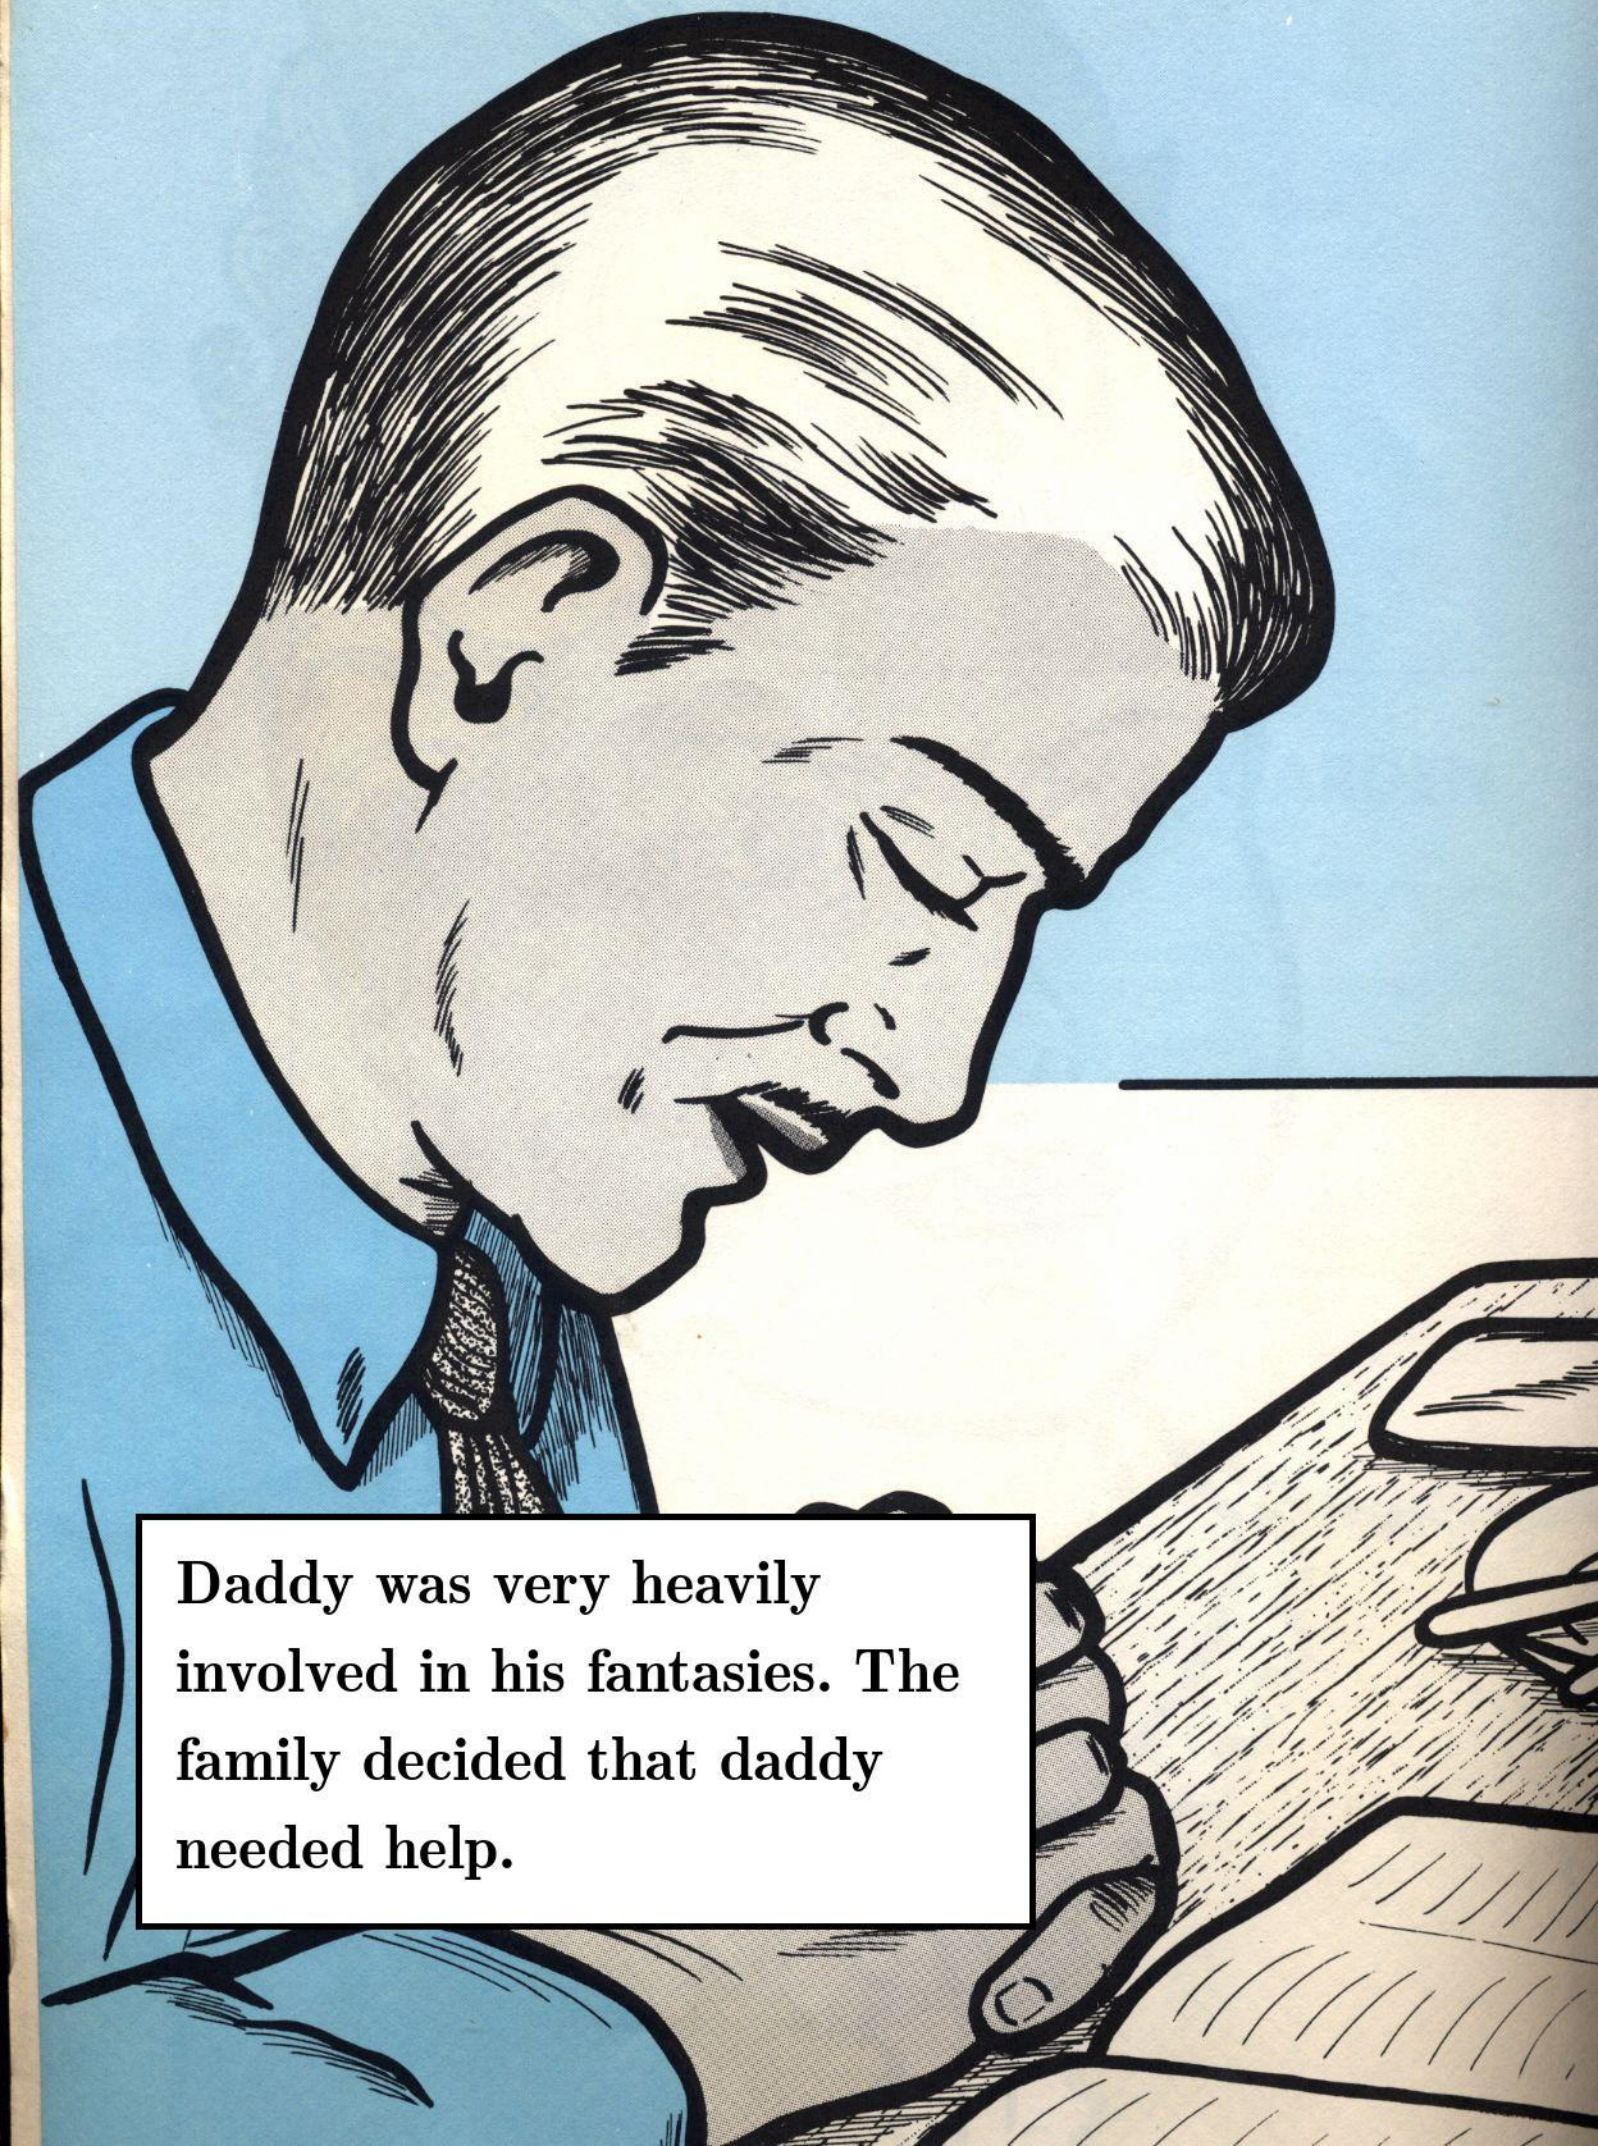

WELCOME
HOME

As the family was waiting for supper to cook, they realized that daddy had a new problem.

Daddy had an addiction to
pornographic books and
magazines.

Daddy was very heavily involved in his fantasies. The family decided that daddy needed help.

Ashley's older sister
Kim stole daddy's porn
and had a look at it.

"I have an idea! Since daddy seems to like porn with furies, let's get him a sheep!"

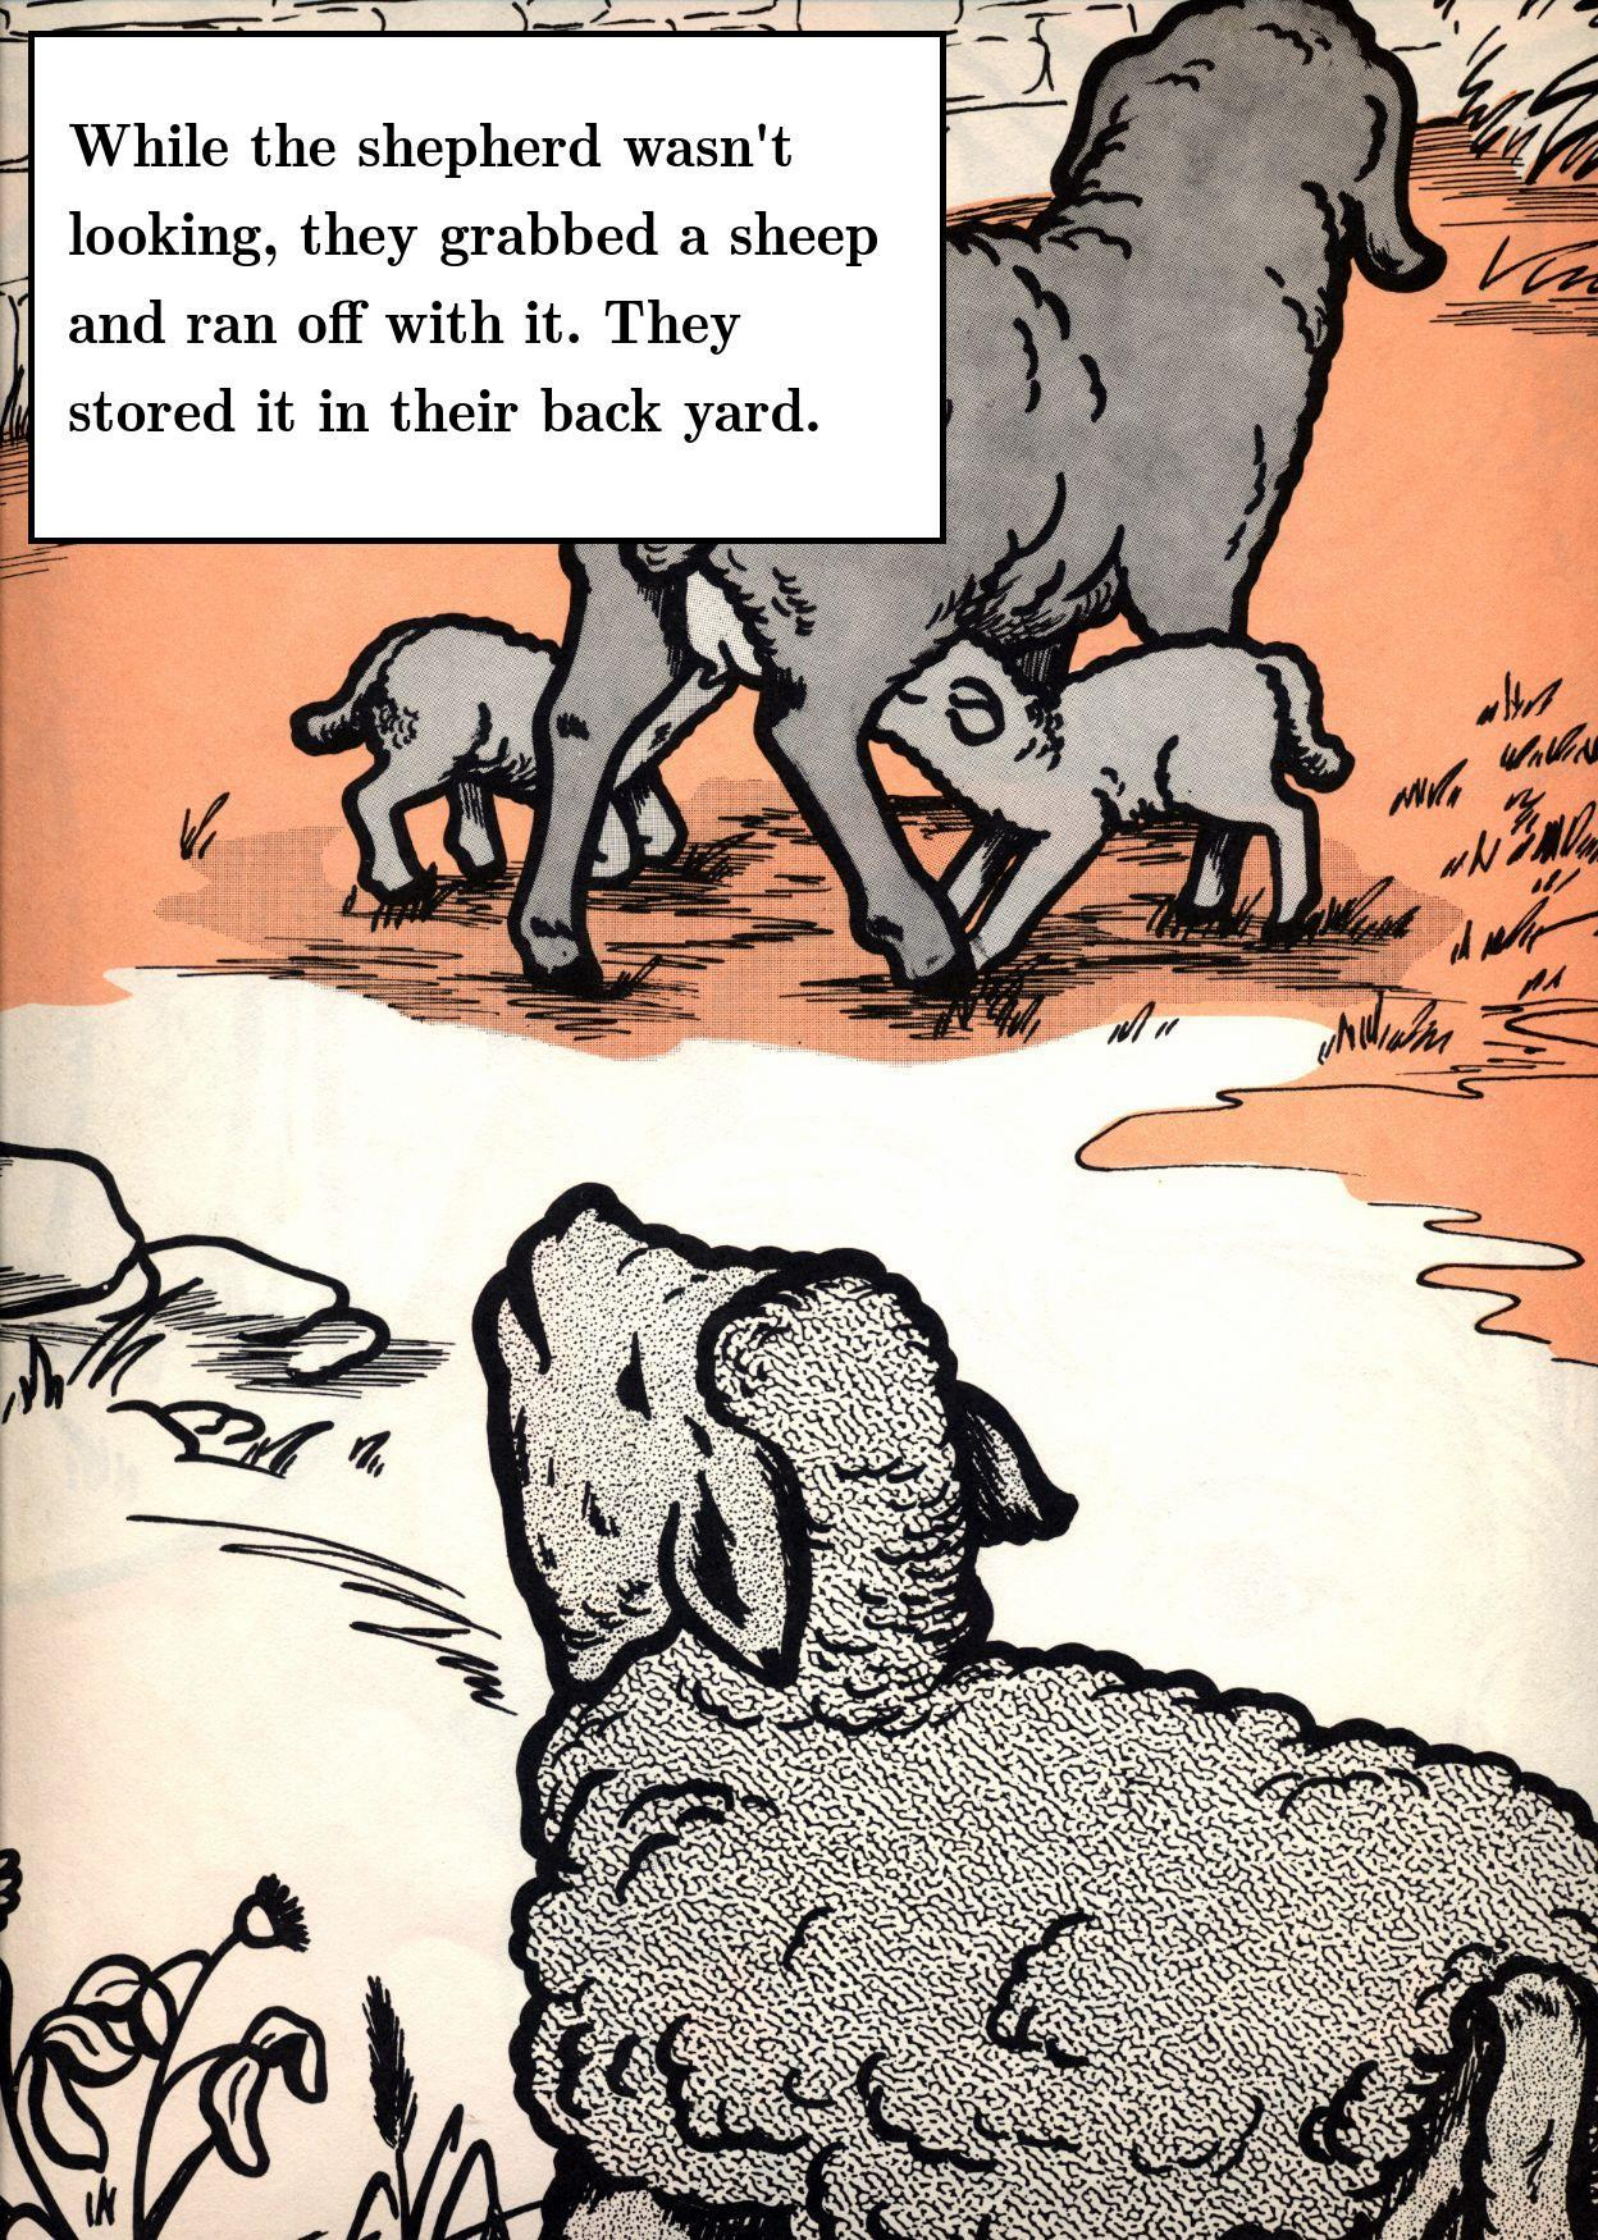

Kim told the youngest sister Stephanie that they were going to go steal a sheep to fix daddy's problem.

The next day, Kim and Stephanie went to a sheep farm.

While the shepherd wasn't looking, they grabbed a sheep and ran off with it. They stored it in their back yard.

It didn't take long for the strange neighbors to steal the sheep and have a barbecue.

"Mom, I have another idea to fix daddy's porn problem." Mom was desperate for a solution, so she encouraged Ashley to do what she needed.

Ashley broke into the neighbor's house when they weren't home and started looking through their things.

Ashely came home with
the neighbor's pocket
pussy. "Daddy, you're
going to love this!
Literally!"

A man who saw Ashley break into the house alerted a police officer.

Meanwhile, daddy was trying out the pocket pussy. He fantasized about touching a woman's ass while she was wearing fur.

The police officer came to the house and gave the family a bill for the broken window, the stolen pocket pussy, and a fine for breaking the law.

Ashely felt bad for
all the trouble she
had caused.

"It's okay Ashley, your mom
promised to wear a sheep costume
to spice up our sex life", said dad.

On Saturday, the family
went outside to do some
yard work.

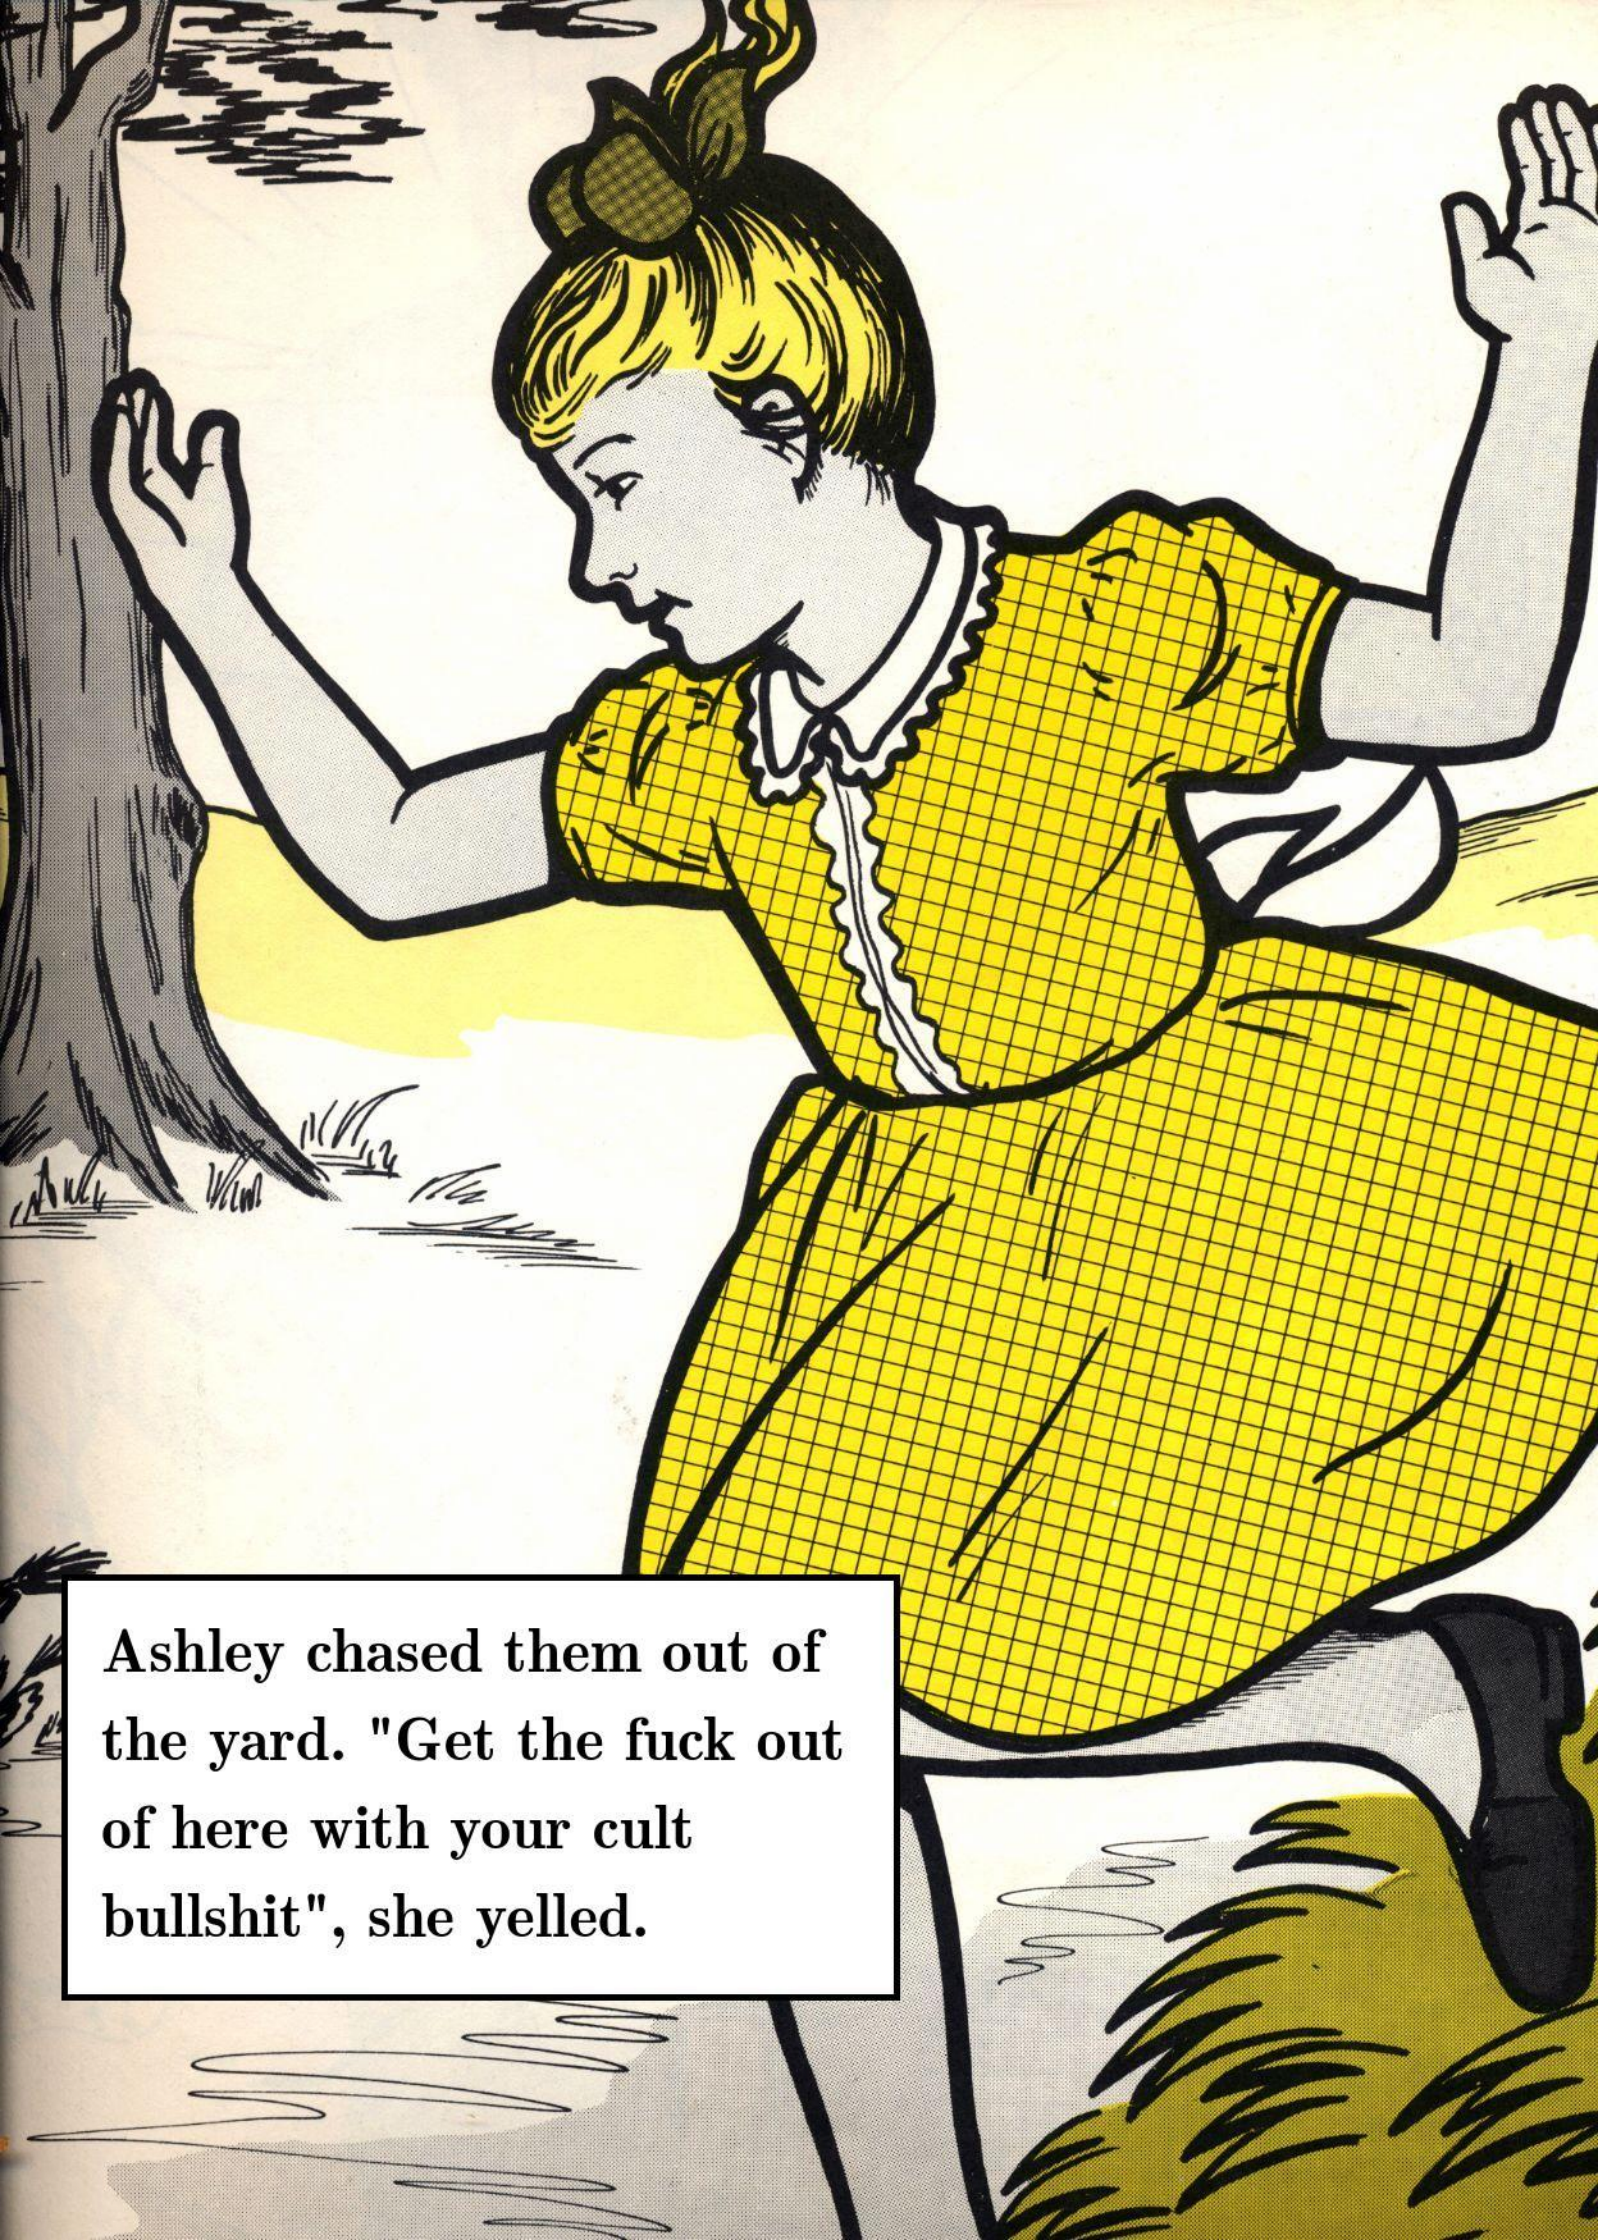

Suddenly, a woman came through the back gate with her crippled daughter.

The crippled girl wanted to talk to Ashley about God's kingdom. She was a Jehovah's Witness.

Ashley chased them out of the yard. "Get the fuck out of here with your cult bullshit", she yelled.

The crippled girl prayed
to God, asking him to kill
Ashley for being such a
bitch.

Ashley was angry all day, and it was about to get worse.

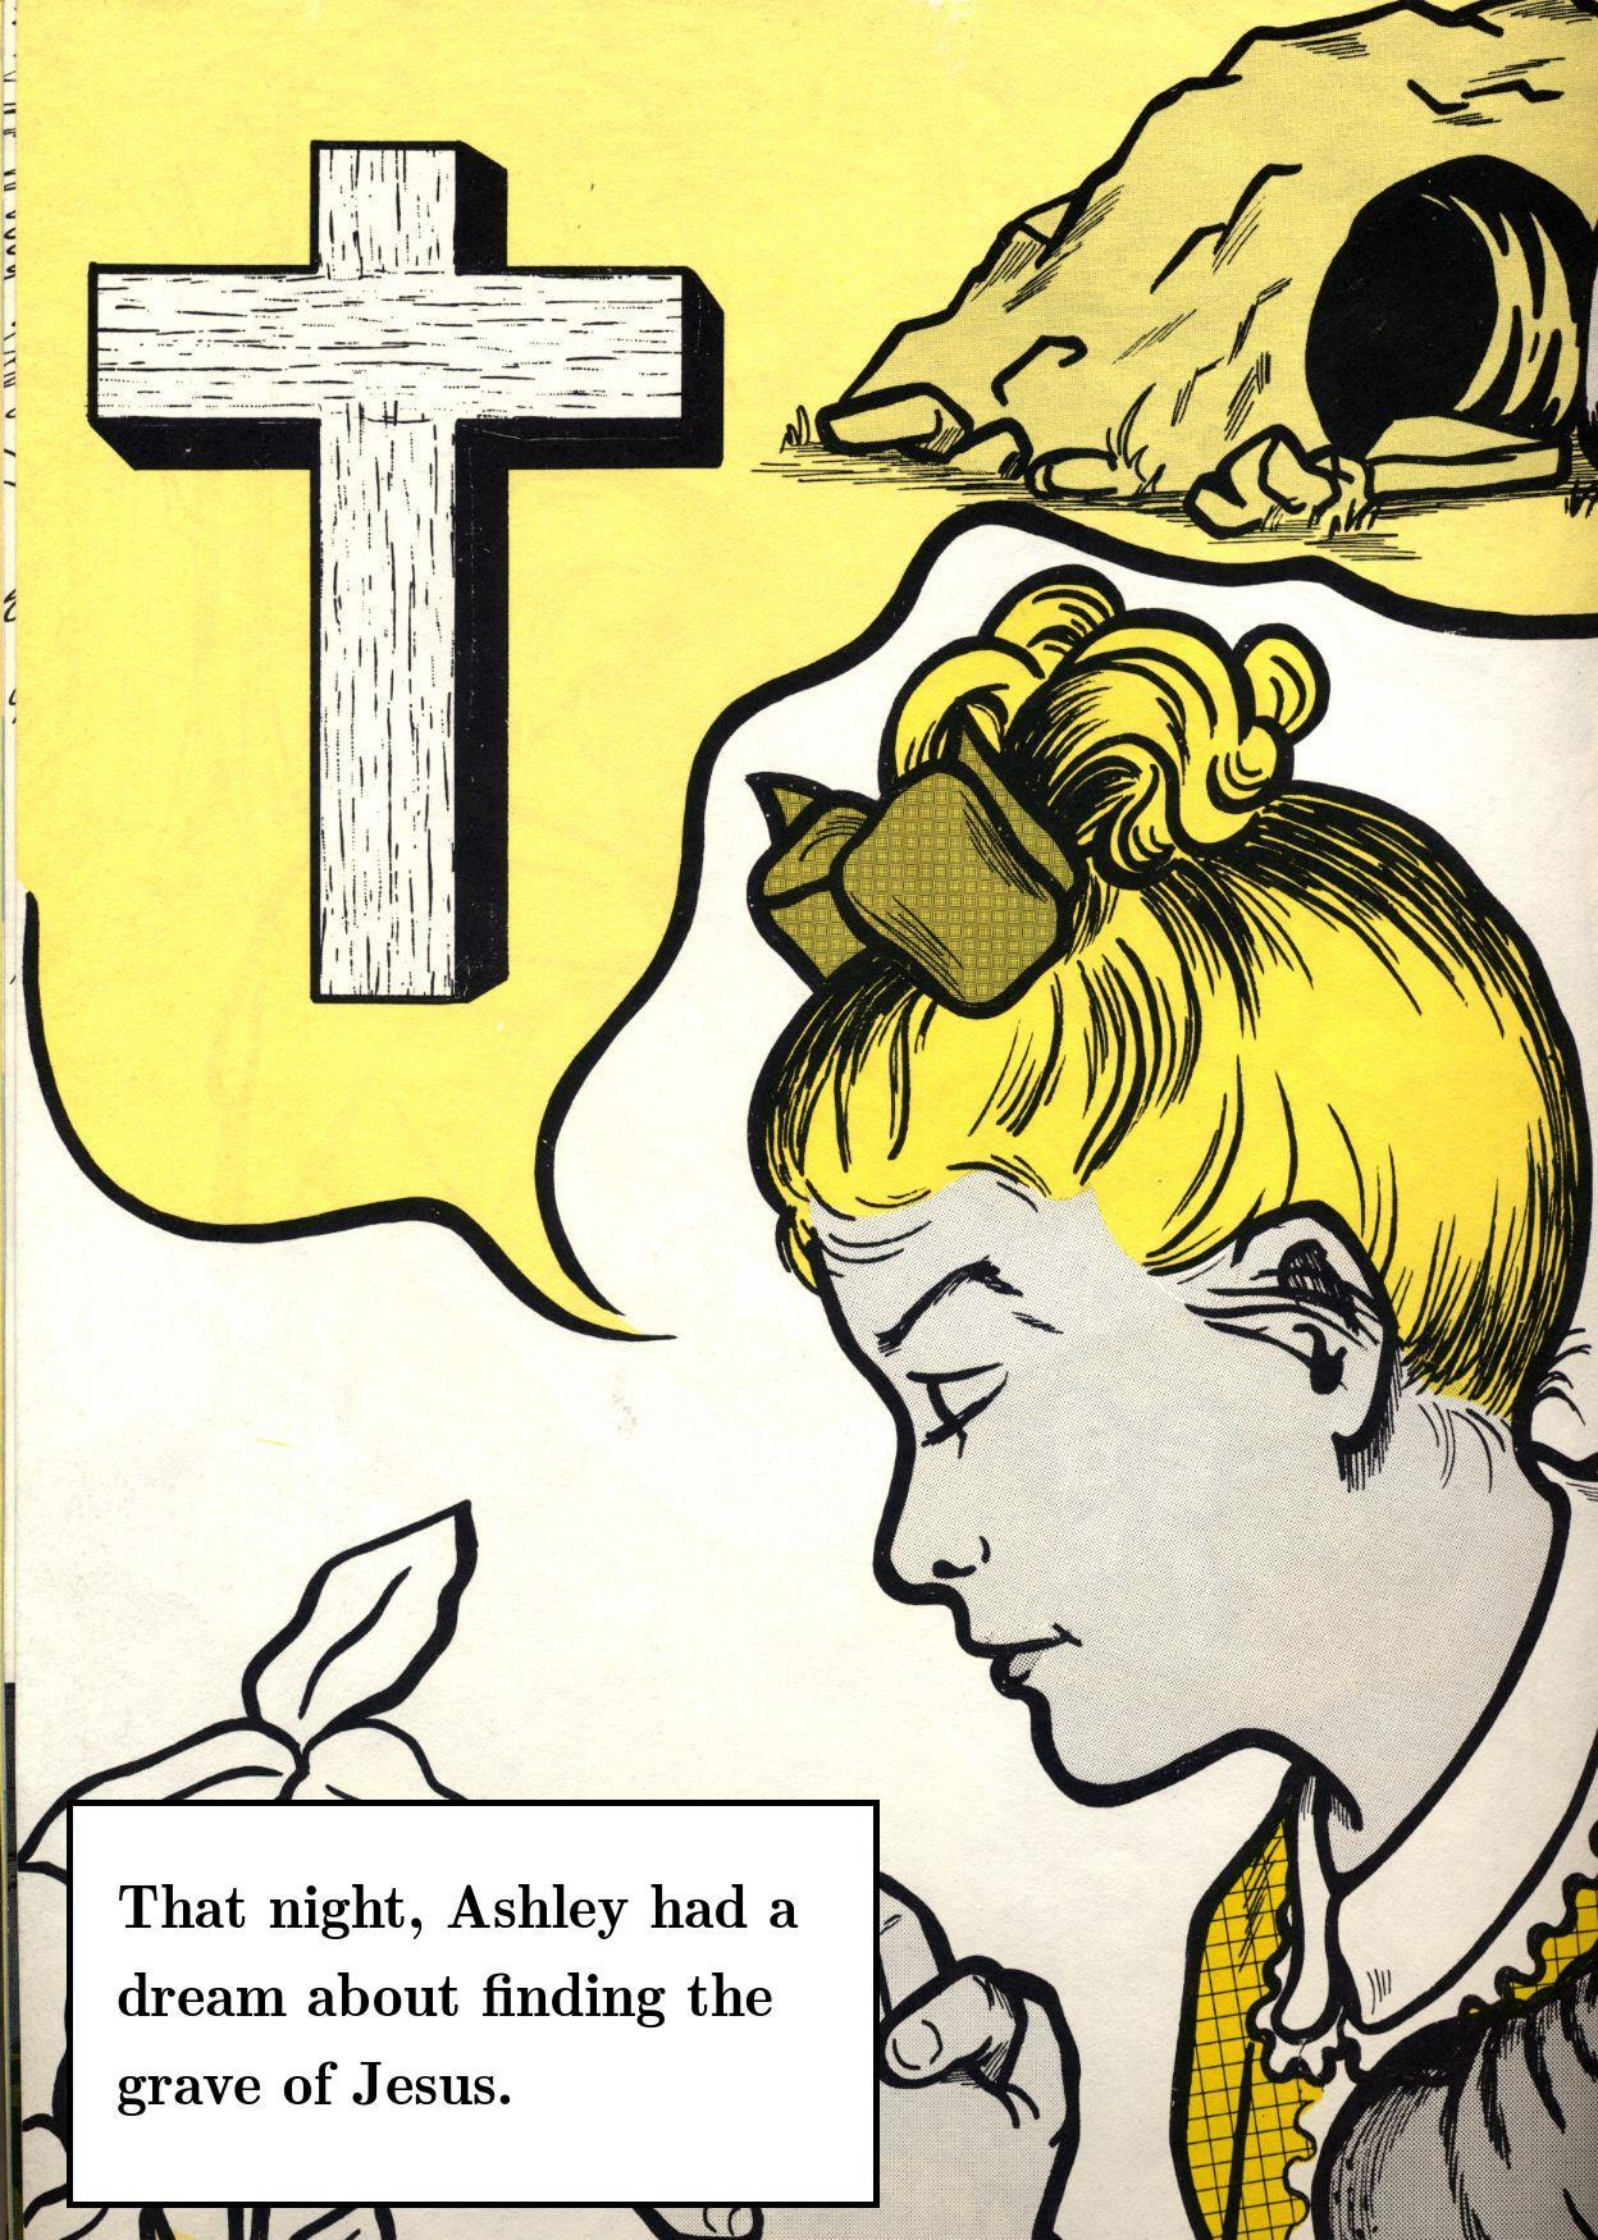

She discovered her sister
Kim was shaving her pubes
on Ashley's bed. "Kim,
you're a fucking hairy ape
bitch!" yelled Ashley.

Ashley went to bed, hating the fact that she was laying in her sister's vagina hair.

That night, Ashley had a dream about finding the grave of Jesus.

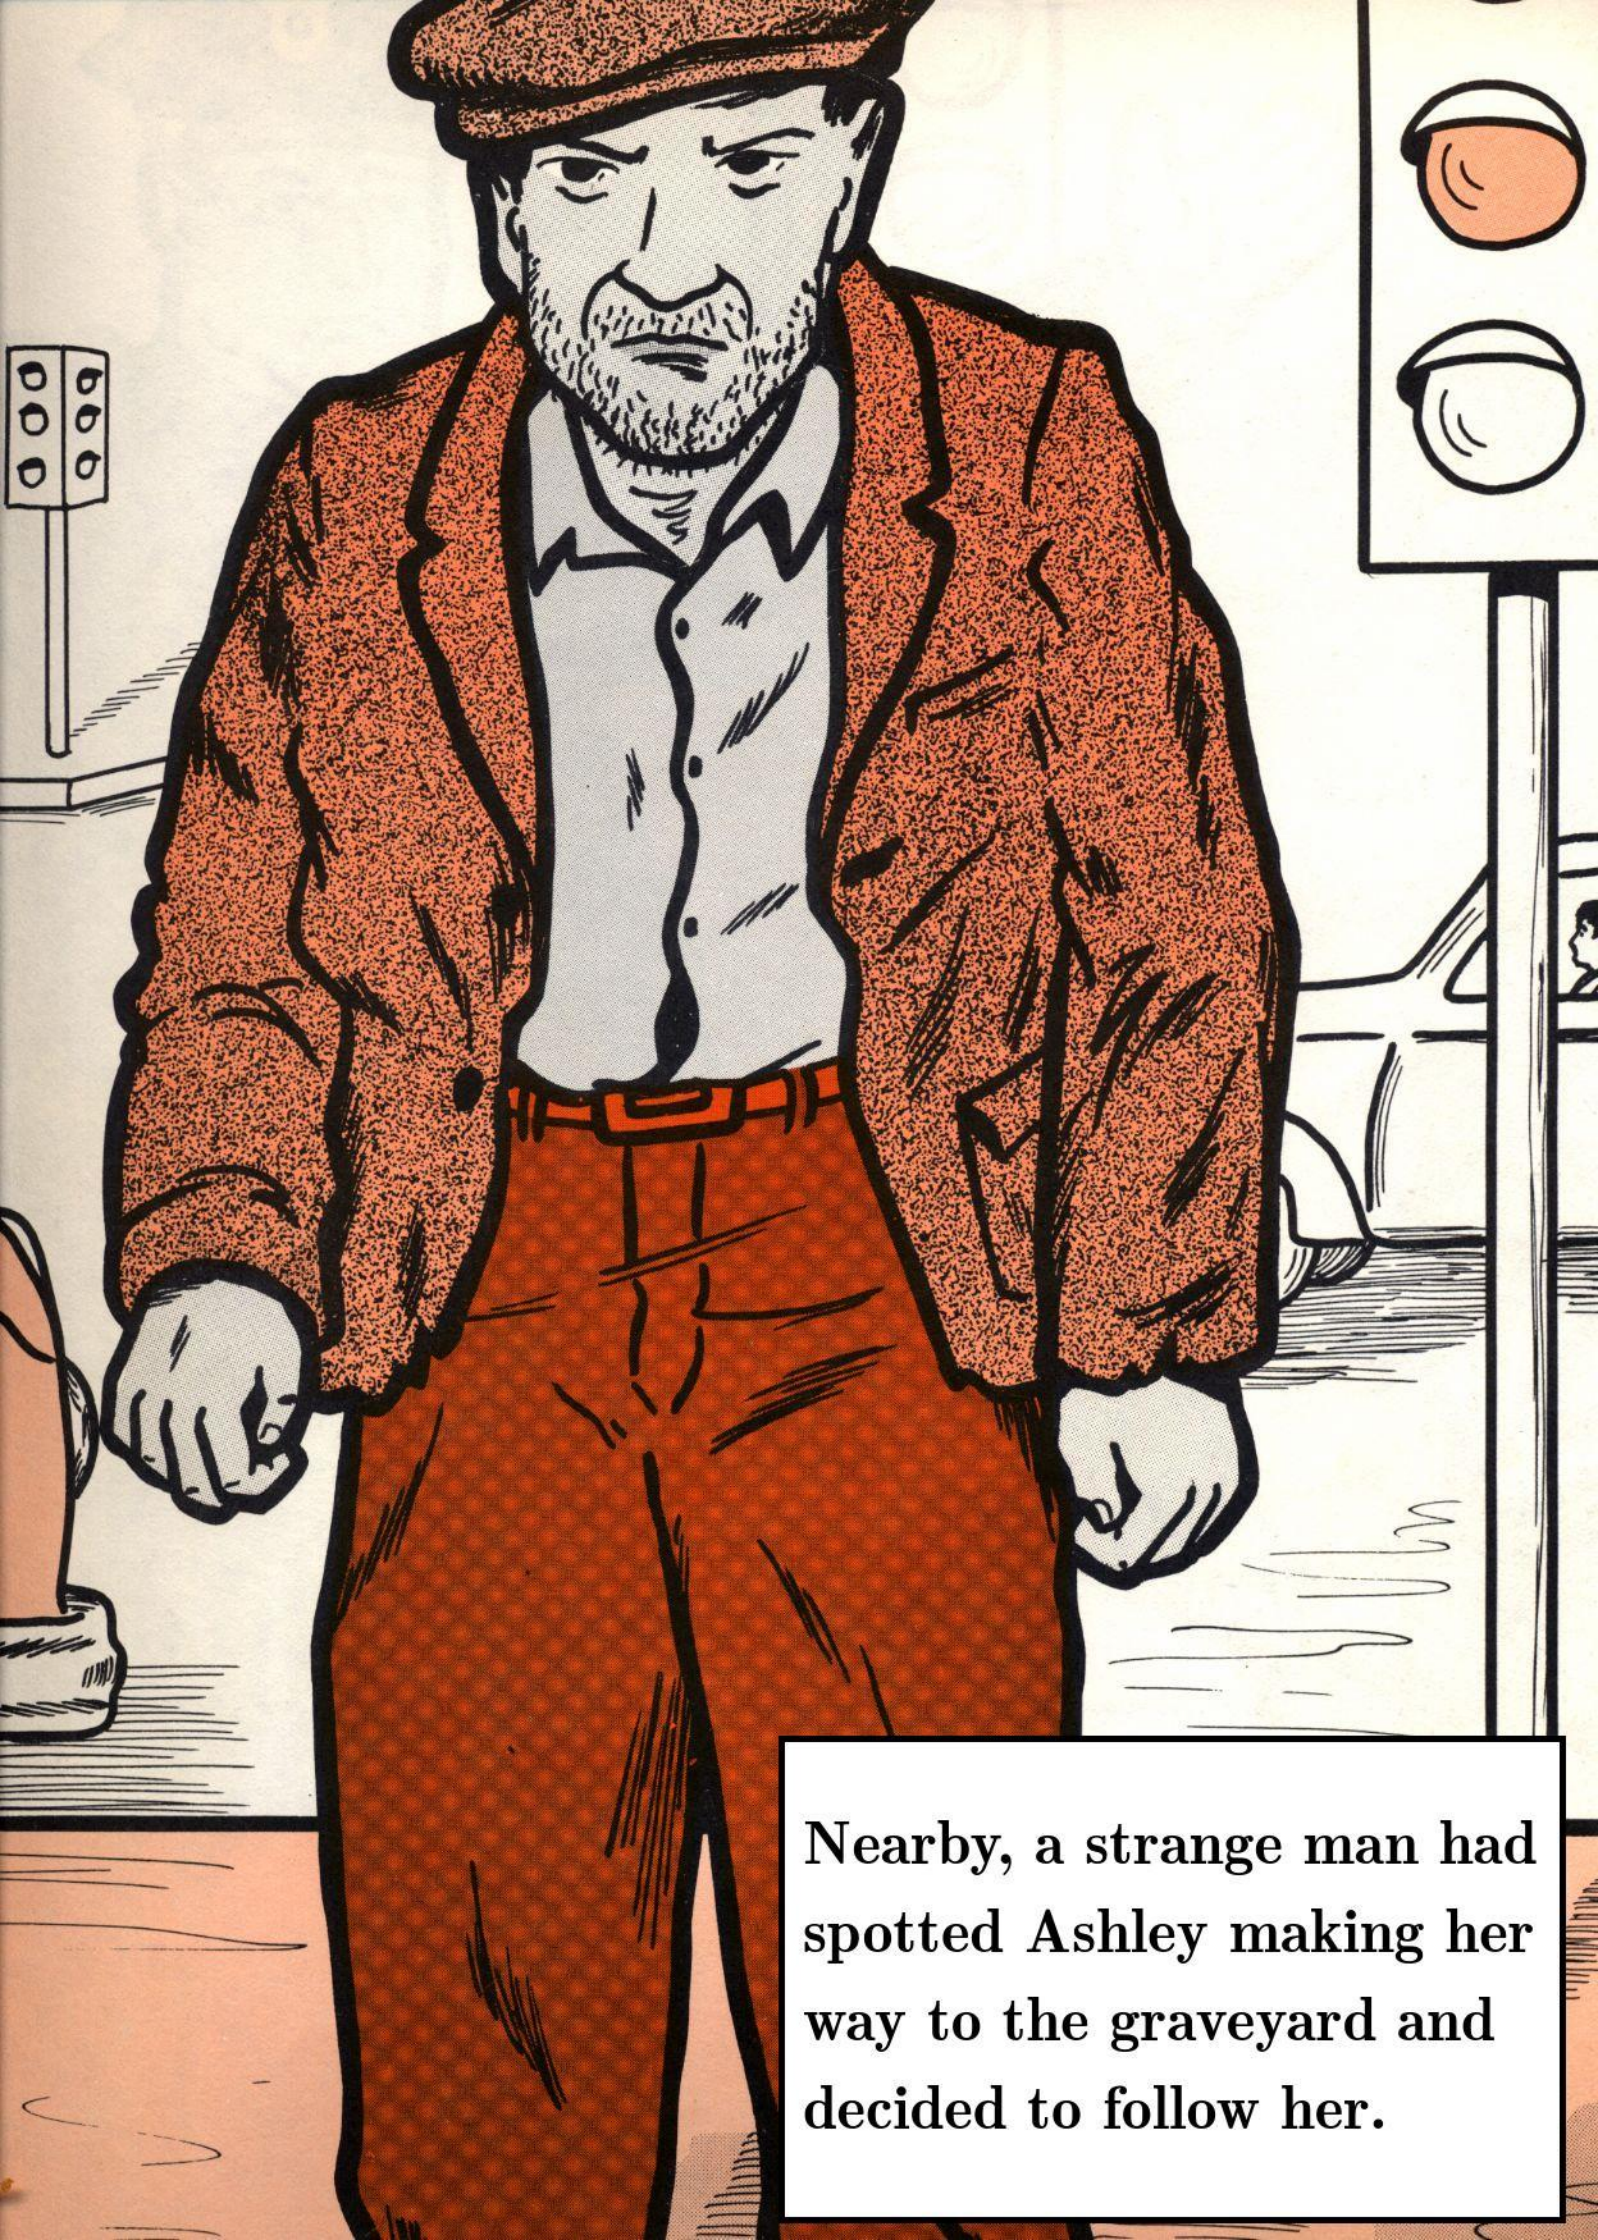

In the morning, Ashley woke up full of joy and decided to follow her dream.

"Good morning mom, today I want to go look for Jesus' grave!" Ashley's mom made a mental note to find a child therapist.

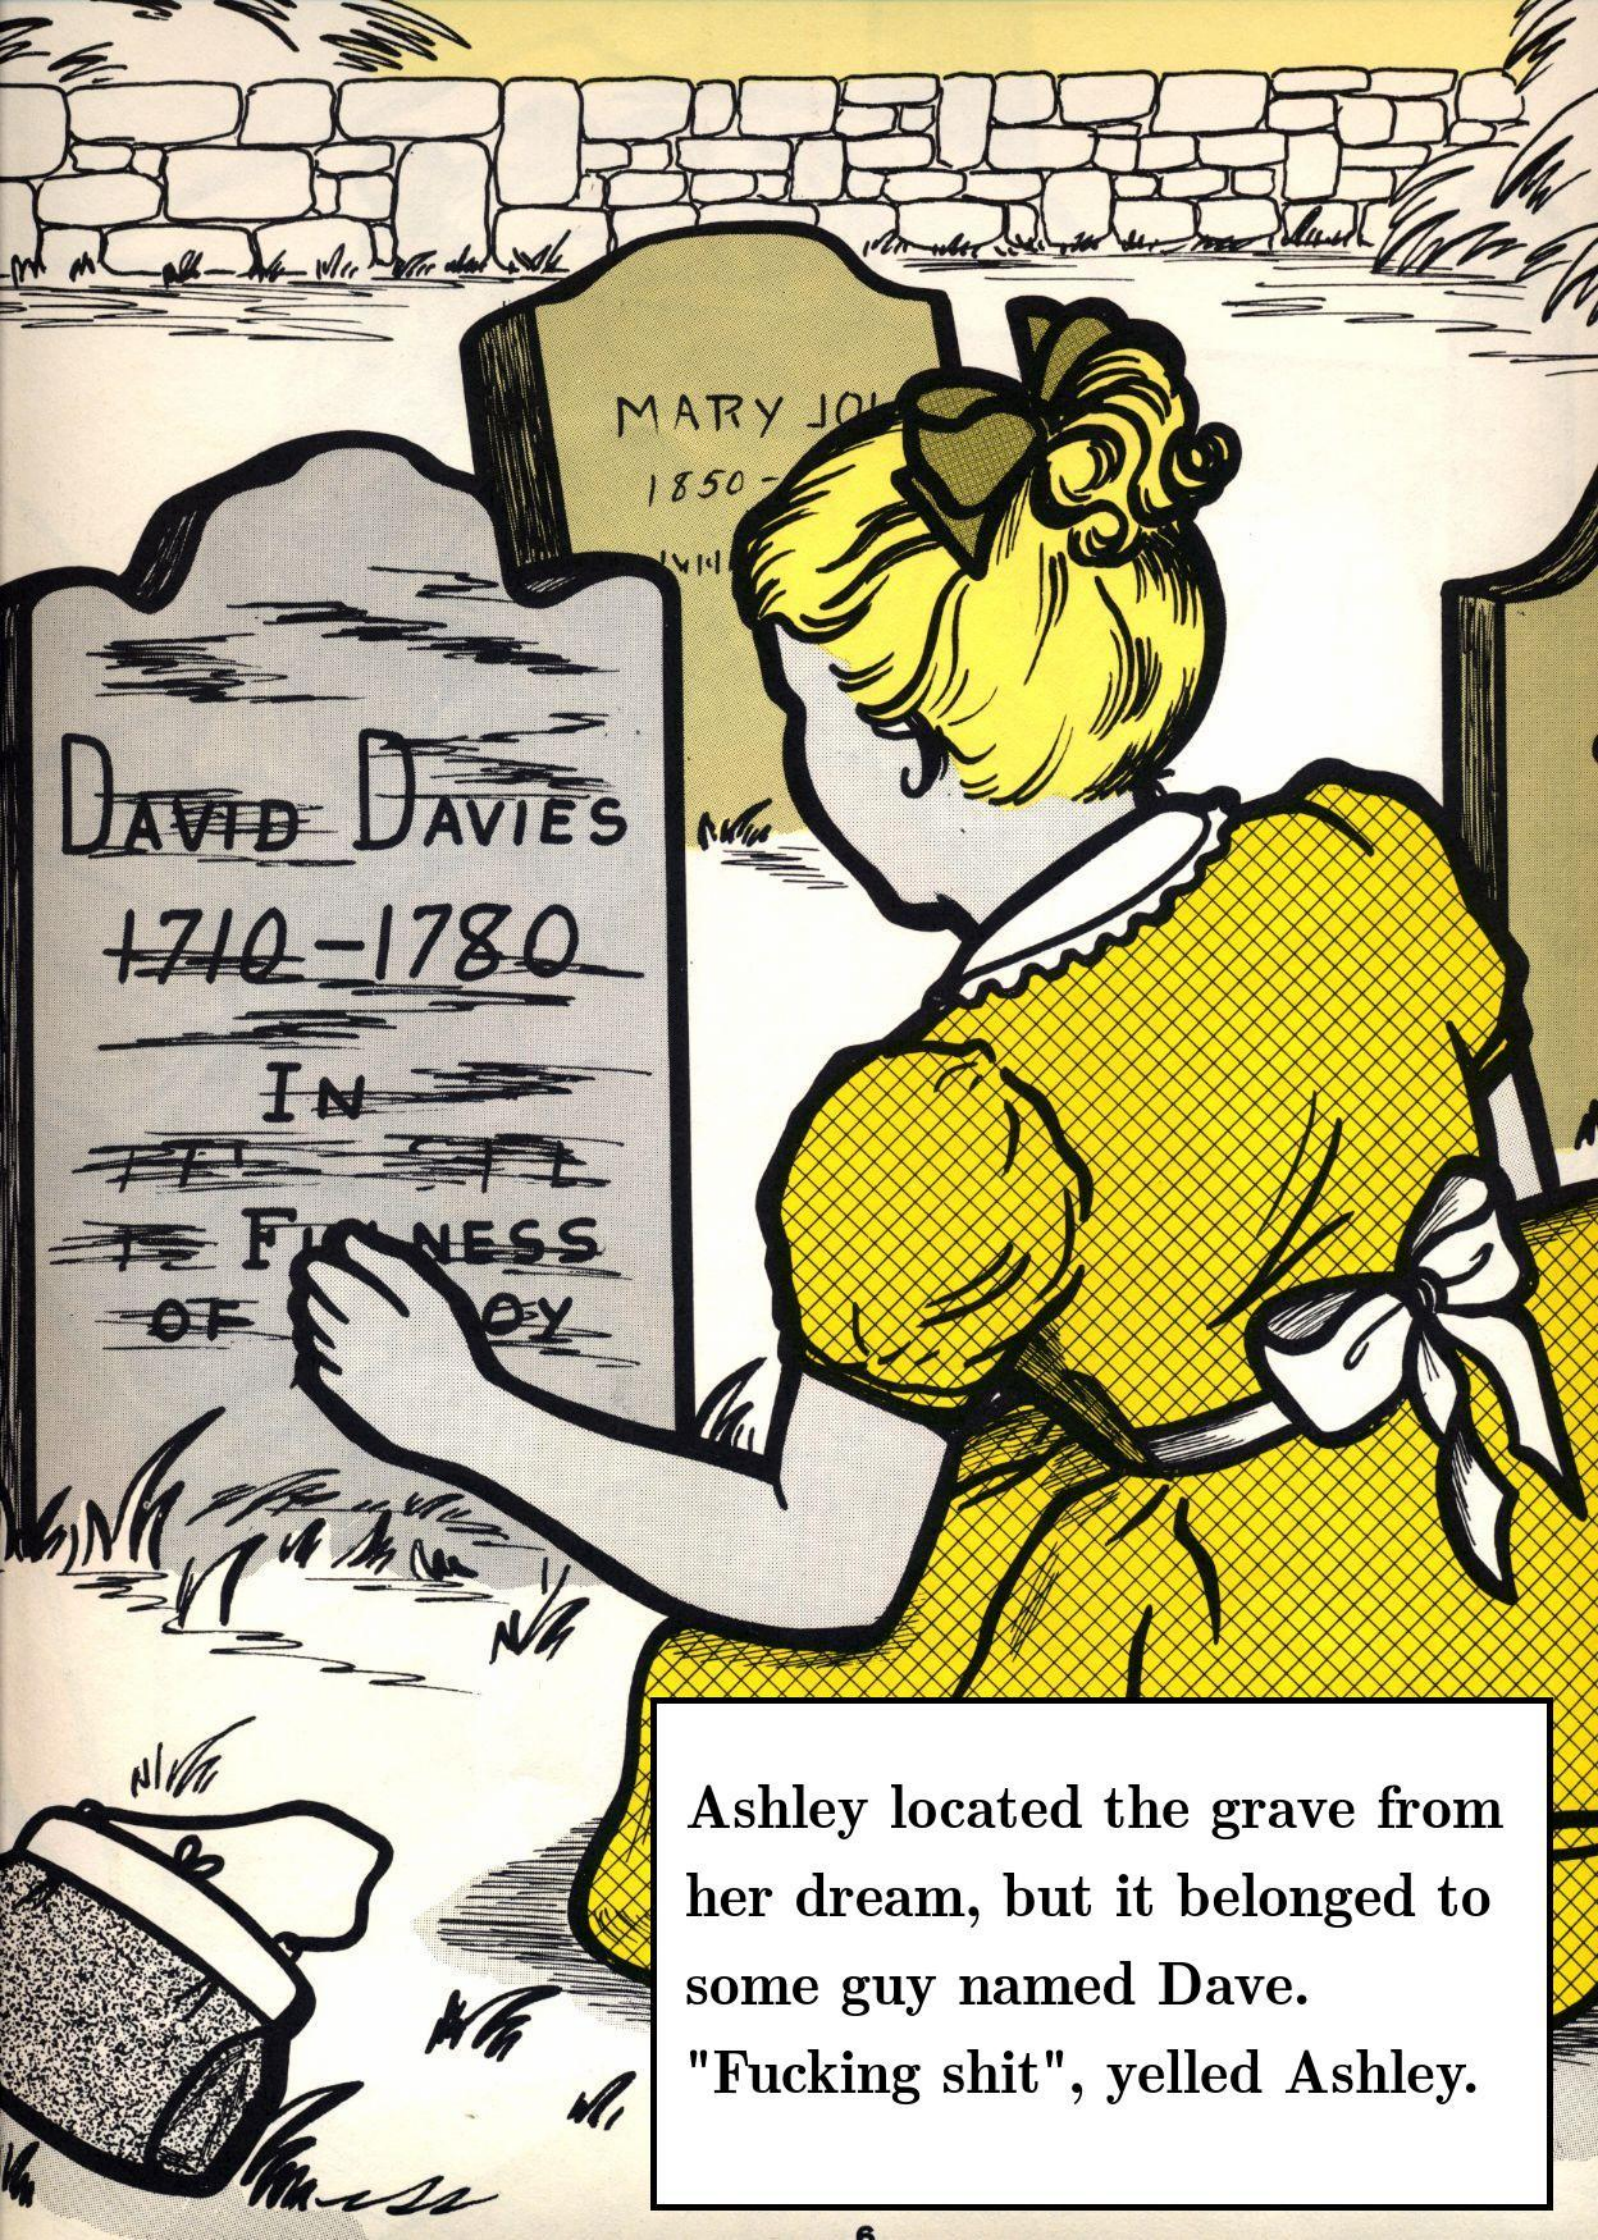

Ashley felt bad about her behavior the night before and apologized to her sister for calling her a hairy ape bitch.

Nearby, a strange man had spotted Ashley making her way to the graveyard and decided to follow her.

Ashley located the grave from her dream, but it belonged to some guy named Dave.
"Fucking shit", yelled Ashley.

Suddenly, the strange man appeared
out of nowhere and started being
violent with Ashley!

Ashley yelled, "Leave
me alone you fucking
pig!"

The strange man beat Ashley until she was dead. Now he needed to find somewhere to hide her body.

The strange man found an abandoned camp site and threw Ashley's dead body inside a tent.

Afterwards, the strange man went home and cried. He was upset because he heard the voice of God telling him to kill Ashley.
