Hip-hip-or-ray the last day of school. Louisiana was very excited that school was over for the summer. Now she could sleep in, go to the beach, and relax all summer with out school.

When she got home from school there was a letter waiting from her Aunt in Mexico. *It read*

"It's great that you can go to Mexico to help your aunt for the summer" said Mother. "Besides there's nothing else to do here." "But mom!" said Louisiana. "I wanted to go to the Beach with all of my friends for the summer."

Louisiana was grumbling as she packed her stuff. "I have to go all the way to Mexico to spend time with a crusty old aunt named Fefe. Oh well Maybe I will find the treasure and keep it for myself."

Louisianna saw the airport
and ran to the air plane. Louisianna
was so upset she didnt even
say bye to her parents.

The

Caravan

"Hello Louisiana" said Aunt Fefe giving her a hug. "I'm so glad you came to help me find the Treasure. This will be an exciting adventure."

"Well Aunt Fefe," Louisiana said. "What have you got for clues? Where do we start?" After an hour Louisiana thought her aunt was just imagining the whole story. "Just to get me out here," she thought

"A long trip to Mexico to spend a boring summer with an old aunt," Louisiana grumbled to herself. "Come we've got to go home and find the treasure because we still have time," said Aunt Fefe cheerfully. "We'll take the caravan home. So you can tell me why you're mad." "What I never ridin a caravan," freaked Louisiana.

Snake

When they got to Aunt Fefes house, she brought out a map of the area.

"There is a wide river and large rocky mountains, lodges. We'll look there first," said Aunt Fefe.

"Now for supplies we need: a flashlight, extra batteries, rope, bottle of water, gum, a water proof watch, a book with \$600, and a bottle of hair spray."

As they left the house they noticed a hognosed snake laying on the dock. Aunt Fefe went to the snake and kicked it in the water. It was wiggling so much it got able to jump on Louisiana. She screamed, "Ahhh get it off of me eww!"

The

Mountain

As they approached the mountains they realized they had forgotten to take the camera to have evidence. They looked everywhere and couldn't find it. After 8:00 they decided to go back home. When they walked they realized it was still daylight out.

They were as hot as a fried egg. "I'm hot," cried Louisiana. "Hey lets run off the dock," pleaded Louisiana. Louisiana was running so fast she didn't realize the snake was there. She was running faster because she had stepped

As soon as she landed in the water. She screamed as loud as she could because she had landed on a jelly fish. When Louisiana started sinking someone caught her and brought her to the dock.

Then she started to Bleed.

When Louisiana
awoke she realized aunt Fefe
wasn't wet. She looked around
and saw a girl standing
beside her. "Hi my name is
Samantha," said the girl. "Oh
hi my name is Louisiana,
thank you for saving my life,"
said Louisiana. "So what do
you do in water Samantha?"
said aunt Fefe. "Lets go inside
and get 2 suits want to come?"
"No thank you but can Louisiana
stay here and talk while you
get the suits?" "Well all right,"
answered Aunt Fefe.

"Samantha do you want to go to the water with me," asked Louisiana. "Do you want to use my suit? Because I'm done with it?" "Ok" I'll look around for the treasure. Maybe we could get lucky and find the treasure." "Well all right," said Samantha. "Here read this Book."

The Find

"Well I hate to read but sure," said Samantha. When Louisiana went into the water she noticed a huge box with a padlock on it. She tried to carry it but it was too heavy. And it was open. But it had got glued down.

pg 18

She tried to scream
but couldn't. When Louisiana
got up from the water she
couldn't see Samantha any
where. Louisiana looked all
around and saw her book in
the water, sleeping while fishing.
So as fast as Louisiana could
go she swam to her and pulled
the rope so hard that Samantha
awoke and screamed!

When she finished screaming
she put the book on the
hook and then swam away.

"Aunt Fefe there's only 1 week till school starts again," grumbled Louisiana. "If we find the treasure could I go home?" "Yes," answered Aunt Fefe

"Guess what I found it
Under the dock?" "What!" shouted
Aunt Fefe "You found it with out
me and samantha." "Yes now
let's go get it so I can go home,"
shouted Louisianaa with joy.

"But first we have to call Samantha." "All right," agreed Aunt Fefe. When they got the chest on the dock they saw it was open and it was covered with scum. When they took the scum off they saw plastic over the gold coins, diamonds, and jewels. They were shining very bright.

When they returned
it, there was a reward for
\$2,000,000.00 in cash.

When she was on the plane to go home she saw a mother, a son, and two daughters. So Louisiana decided to give that Family \$1,000,000.00 in a cheque.

They were so happy
the little boy gave her a
piece of bread they had
saved it for 1 year + 16 days.
"YUCK!" thought Louisiana

When she returned home she had forgotten that Samantha had given her the two million dollars. She decided to give her brother a big ice cream cone.

After that summer
Louisiana, and Samantha
were friends forever. Every
